(als Übungstext freigegeben)

In the country

We live on a farm in the country. The farmhouse is about 250 years old and made of stone.

There aren't many houses near us. There's a pub in the village about three miles away, but we're 20 miles from the nearest town.

That can be difficult for shopping, but we love it here. It's very quiet and the view is wonderful!
